**John M. Corboy, M.D., ABES, President.** Dr. Corboy, founder of the Hawaiian Eye Foundation, led the first expedition to Tonga in 1984, and developed the Royal Hawaiian Eye Meeting and the Imperial City Eye Meeting in Viet Nam.

Corboy has practiced ophthalmology for over 40 years, and was founder and Surgeon/Director of the Hawaiian Eye Center, Hawai'i's largest eye care provider, until his retirement.

Corboy is former Associate Clinical Professor of Surgery at the University of Hawai'i John A. Burns School of Medicine, and author of *The Retinoscopy Book* (Slack, Inc.), and *60 @ 60: Things that can happen to your body and what you can do about them* (Simpler Life Press), a portion of the sale of which supports HEF ([www.60@60.com](http://www.60@60.com)).

For the past decade, Corboy has donated his services full-time to volunteer programs of the Foundation, as well as Junior Achievement, BODIES...the Exhibition, and various substance abuse programs. He was awarded the Lions' Melvin Jones Fellowship, and numerous humanitarian and volunteer awards.
